# ENVIRONMENTAL SUSTAINABILITY CHARTER

## AUDIT CERTIFICATE ESC BAND: SILVER

1 JULY 2022 TO 30 JUNE 2023

### Karuah Enterprises Pty Ltd

The Australian Steel Institute's Environmental Sustainability Charter (ESC) requires members of the Charter to be independently audited to the Environmental Management System annually to retain membership and to demonstrate continual improvement and culture change in environmental management of their business operations.

Karuah Enterprises Pty Ltd has demonstrated:

- Evidence of sound environmental management throughout the organisation
- Working on continual environmental improvement
